

Welcome to Gumnuts Out School Hours Care (OSHC) in Longford. Your educators are Nadine Oliver as your daily coordinator, James Adams OSHC area manager and Michelle Hallett Educational Leader.

We are based at the school and will operate out of the multipurpose room from 6:30-8:30am which is towards the back of the school. This is where the children will be dropped off in the morning for before school care (BSC). After school (ASC) will also run from this area from 3-6pm.

After parking in the car park and entering the school via the front gate, walk up the ramp and walk either around the art room/bathroom side of the building or the quadrangle side of the building to locate our building (Multipurpose room).

Throughout the hours of service, we could potentially be in other areas of the school, in the kitchen or the sandpit. We will have signs up in the multipurpose room to let you know where we will be. We will also have plans throughout the year to take walks or excursions and you may need to pick up from these locations with notice to the families at all times of your child's whereabouts and permission slips will need to be signed before children are allowed to leave the service.

We will have a breakfast club where we can supply breakfast if needed and will be working alongside the school to provide breakfast club and support parents morning routines.

For the afternoon, we ask for children to bring afternoon tea which can be placed in the fridge for the day if using BSC on the same day. We can heat or toast children's afternoon or morning snacks.

For Vacation care (School Holiday care SHC) we will be running it from the same school venue, the multipurpose room, we will be running from 7:30-18:00. We will have fun play-based activities planned in discussions with the children. Some of the activities could involve our other OSHC services.
