Longford Primary School strives to provide a friendly, caring and safe environment that;

- Maximises learning, personal growth and wellbeing for all students.
- Creates a stimulating and supportive environment for all teachers.
- Assists, informs and involves all parents.

The school's purpose is based on the vision of providing a stimulating environment that allows students to achieve their full potential by promoting an education of real value that produces proud, engaged students who are skilled, flexible, responsible, resilient and creative.

The following values underpin the life of our school and how ALL members of the school community should conduct themselves:

**Respect** – We respect ourselves, our school and each another, and understand that our attitudes and behaviours have an impact on the people around us.

**Responsibility** – We take responsibility for our school and our personal belongings and the actions that we take when interacting with all members of our school community.

**Excellence** – We strive for excellence, which means trying our hardest and doing our best.

**Integrity** – We value integrity in everything we do, aiming to make the right decision regardless of the situation or circumstances.

The school's code of behaviour and whole-school behaviour management strategy retains the focus on respect for people, for property and for learning in our classrooms. Each student is aware that bullying and intolerance are not accepted at this school and that good manners and hard work are encouraged. A feature of this is weekly presentation of "Longford Achievers" certificates at assembly that acknowledges success in all areas of achievement.
